## United Cargo and Wings Partner for Onboard Courier Service

08/18/17

United Cargo is proud to partner with Wings to offer our customers an onboard courier service option.

For customers who need fast, safe and guaranteed hand-delivery of high-priority goods, United Cargo announces our new partnership with Wings, the world's largest global onboard courier network. Combining United's unparalleled flight network with Wings' more than 1,900 trained and experienced couriers delivers extraordinary worldwide service and peace of mind.
